EVENTS

Events 4, 5, & 6 are named after the AR shooter who has the highest average in each event - target requirements being the same as for the State Team. Alan "Chuck" Sharp is this year's high leader in Singles, Handicap, & Doubles. Since we started naming these events in honor of the high leaders in each discipline, Chuck is only the 3rd shooter to be high in all 3 disciplines for the entire year - congratulations Chuck!

TARGET SETTING

Targets will be set by members of the Target Setting Committee using radar guns each morning. Flights, angles, & height (ATA recommended height is 9 feet) will be in strict compliance with the ATA rule book. Illegal targets (more than 10 degrees outside normal parameters) or targets that vary appreciably from trap to trap may be reset but only by members of the Target Setting Committee, ASTF Officials, or Shoot Management. Any other shooter who goes beyond the 16 yard line, attempting to manipulate or alter the Pat traps belonging to Remington Arms will be immediately disqualified.

PRACTICE TRAPS

Fields 5 thru 9 will be available each morning for practice rounds approximately one hour ahead of the starting time for each day's scheduled events - 8:00 a.m. on Wednesday, Thursday, Friday, and Sunday; 7:00 a.m. on Saturday.

WEDNESDAY'S TARGETS

Wednesday's State Shoot targets are registered, & ASTF trophies will be given. Preliminary class champions on Wednesday, however, will not be advanced. Class advances, the HOA, & all of the ATA All America Team point events will not start until Thursday (Event 4).

SATURDAY SUPPER

The ASTF is hosting the Saturday meal - free to shooters (tickets will be given when cashiering). Tickets or a \$5.00 payment for non-shooters are required at the collection point in order to receive your meal.

PROBLEMS OR GRIEVANCES

Should any problems occur, please contact Shoot Management or any ASTF Official, & we will do our best to resolve all problems as quickly as possible.

ZONE MEETINGS

Zone Meetings - Zone meetings will be held on Saturday, June 20th. The specific time & places will be posted on the scoreboard during the shoot.

100 PER FIELD

Shooters will shoot 100 targets per field & be able to choose their favorite field & squad number. As always, we will continue to rotate fields on the second 100 of the Championship Singles, but will try to squad you as close to your favorite field as possible for the 1st 100.

MOTORIZED VEHICLES

The use of motorized transportation vehicles by non-shooters will not be permitted on or near the shooting fields during State Shoot competition & shoot-offs. Bonafide shooters, shoot management, & shoot personnel will be permitted to use motorized transportation vehicles, provided they possess a valid driver's license and make every effort to minimize the use of these vehicles when possible during any actual shooting competition. NOTE: This policy does not apply to wheelchairs - wheelchairs (motorized or not) will always be permitted at all times on the grounds during the State Shoot.

SUNDAY MORNING CHURCH SERVICE

A non-denominational church service will be offered from 7:00 to 7:45 a.m. Sunday morning, June 20, 2010 at the permanent pavilion just west of the clubhouse. The ASTF Annual Meeting will follow this service - same location.

ARKANSAS SUB-JUNIORS

All Arkansas Sub-Junior shooters may shoot their state shoot targets for half price in all events. They must shoot targets only - no options.

AIM SHOOT

Our inaugural AIM shoot for youth shooters will be held on Tuesday, June 15, 2010 under the leadership of Petey Chambless, State AIM Director.

RULES

1. ATA rules will govern this shoot. It is the shooter's responsibility to know the ATA rules.
2. Trophies will be awarded at the end of each day. Henry Carroll will be available for photos.
3. All options will be OPEN. Options will close when the first squad's scores are posted.
4. All Lady, JR, Sub-Jr, Vet, & SR Vet shooters must declare their special category at the time of classification in this shoot if they wish to compete as a category shooter. No contestant will be allowed to declare or change a special category declaration after firing their first shot.
5. **Sub-Junior** - any shooter under 15 years of age.
Junior - any shooter 15 to 18 years of age.
Veteran - any shooter 65 to 70 years of age.
Sr. Veteran - any shooter 70 years and older.

6. The state handicap champion automatically will earn at least 1 yard.

7. Eye and ear protection are mandatory.

8. Should you win or tie for high class in any 16-yard or Doubles event, or should you earn yardage in any Handicap event, it shall be your duty to report to the handicap table and have your classification or yardage reviewed. Any shooter whose class or yardage is changed for any reason, shall be considered to have been notified when the new class or yardage is posted on the bulletin board.

9. Any shooter failing to carry out rule 8 above, or who shoots in a class or on a yardage marked higher or lower than that which is marked on their card, will be subject to disqualification and will not be eligible to share in any money division or trophies.

10. Class winners in the preliminary Singles & Doubles events on Wednesday will not advance a class. Class winners in the Class Singles & Class Doubles events on Thursday will advance a class.

11. A shooter may not win more than one ATA or ASTF trophy in the same event. **If a shooter's score qualifies for more than one trophy, the shooter must notify Shoot Management in the Remington clubhouse within 15 minutes of that event's last score being posted as to which trophy they desire to shoot-off for or to accept. Failure of the shooter to make proper notification imposes on Shoot Management the duty to make the declaration for the shooter. Shoot Management will follow ATA rules & guidelines in determining trophy winners.**

12. Any shooter who ties for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship shootoff/carry-over, and has declared a special category at the time of classification, the shooter can fall back to the declared special category.

13. Any shooter who has declared a special category at the time of classification, and whose score qualifies for any trophy in his/her declared special category, will compete for the category trophy and not for place, class, or yardage group.

14. Any special category shooter whose score does not qualify for a trophy in his/her category, may compete for place, class, or yardage group trophies.

15. The official score must be kept on a score sheet in plain view of the contestant. Any errors must be corrected before firing the first shot at the succeeding post, or in the case of the last post, before leaving the field.

16. A squad will not be held more than 3 MINUTES. Shooters missing their squad will be re-squadded on a later squad for a \$20.00 penalty fee.

17. Shoot-off contestants will be given 3 CALLS. If there is no response after this, the shooter will forfeit.

18. In the event of withdrawal, the entry fee will be refunded. Purse or option money will not be refunded. Each shooter who is entitled to receive money won during any event agrees that if such money is not received by them during the shoot, payment will be mailed to them by the ASTF.

19. Since the Remington Gun Club is our host club, only Remington shells will be available for sale. If you prefer other brands, please bring your own shells.

20. Shoot Management & ASTF Officials reserve the right at any time to change, alter, or modify this program in any manner deemed necessary.

21. Shoot Management & ASTF Officials reserve the right to refuse any entry & disqualify anyone who interferes with or disturbs the harmony of this shoot in any manner.

Shooters:
There are a lot of area businesses, but those who support our State Shoot very generously placed ads in this program book. When it comes time to purchase goods or services, grab a bite to eat, or get a motel room, please remember businesses who purchased ads in this book & give them all the business you can!!!

Note to all shooters:

All ASTF Officers have worked hard to provide you with the best State Shoot possible. As much as we want things to be perfect, we still may have an occasional problem from time to time. To minimize problems occurring on the trap field, Trapline Supervisors will be monitoring all fields very closely & doing everything they can to keep our shoot moving as smoothly as possible.

One slow field delays all of the following squads, the entire event, as well as the posting of scores & winner determinations. It also delays the remaining events, making for a very long, hot day for everyone. Should we have a problem field, we're going to do our best to fix things as quickly as possible; and if need be, Trapline Supervisors have been authorized to move shooters from any slow or problem fields to adjacent fields. Thanks in advance for your understanding & cooperation!

HALL OF FAME CONTRIBUTOR AWARD

The \$20 fee for this award is a 50% tax-deductible donation to the ATA Hall of fame. This donation provides support to our new museum and to the many worthy projects undertaken by the Hall of Fame. All donors will qualify for the Hall of Fame Award. Your entry card shows this contribution and is your receipt. The Hall of Fame will retain 50% of the donation, while the remainder will constitute the portion to be awarded. Monies will be paid out in 3 Lewis Classes, 60/40 high gun each class. The high score in the event will receive a Shamrock Leathers specially crafted oak & leather wall clock suitably engraved. Any ties will be resolved by Shoot Management.

THE PETTY TROPHY

This trophy, named for Julius Petty & officially 'retired' by Joe Jakoncuk in 1998, contains the names of current AR HAA Champs. It is displayed at the Executive Offices of Remington Arms, Inc., at Lonoke.

RUSSELL MARKS - BO SHAW FOUNDATION

Bo Shaw (below, left), a great shooter from Louisiana, started this Foundation in honor of his good friend, Russell Marks (below, right), one of AR's finest Southern gentleman shooters. It was Bo's wish that this Foundation would provide some significant financial support for the ASTF - funds from this Foundation go to new gun clubs in AR in the form of interest-free loans. When shooters play this Foundation Purse (Event 10), \$10 will go to the Foundation to assist new gun clubs, & \$10 will go back to the shooter by Lewis Class - 2 Classes - 60-40. Shooters wanting to help new gun clubs in AR are encouraged to play this purse or donate directly to this Foundation - all donations are MUCH appreciated!
