DAN ORLICH

A native of Minnesota, alumnus of the University of Nevada, Reno, and former professional football player, Dan Orlich is a legend in trapshooting. Mr Orlich made Nevada his home after his football career with the Green Bay Packers in the early 1950s. Since that time his name has been associated with trapshooting and the state of Nevada as well as being intimately linked with the Golden West Grand; first at the old Harolds Club and then at Sage Hill. Given this is the first year of the Grand in California, The Livermore-Pleasanton Rod & Gun Club is pleased to honor Dan Orlich as our Grand Marshal for the 63rd annual Golden West Grand.

- 8-time Golden West Grand High Overall champion
- 6-time Golden West Grand High All Around champion
- 3-time Golden West Grand Doubles champion
- 2-time Golden West Grand Singles champion
- Third to reach 27-yard line (1955)
- 5-time captain, ATA All-American team
- 3-time Champion of Champions title holder
- Member of first 500x500 squad at Grand American (1959)
- First to enter an ATA Grand Slam (1964)
- Record .9982 ATA singles average (1968)
- 400x400 all-around PITA Grand Pacific (1969)
- ATA Trapshooting Hall of Fame inductee (1979)

WELCOME SHOOTERS

As the president of the Livermore-Pleasanton Rod & Gun Club, I wish to invite you to the 63rd Annual Golden West Grand as we carry the tradition of hosting this long-established trapshooting tournament that began at Harolds Club in Reno and finished at Sage Hill.

We know we have large shoes to fill but with the dedicated folks here at our club, we hope that this will be the beginning of the next phase of the Grand's life in the Golden State. The Golden West Grand has a new home but we want to honor the rich history of the shoot. The bridge between old and new and connections between Nevada and California. We honor one of Nevada's great trapshooters—Dan Orlich—as the link to the past as we look to the future.

I want to thank everyone who worked long hours to get this shoot here: our state ATA delegate Dan Bonillas, CGSTA Directors, LPRG Board of Directors and LPRG Trap Committee members, the LPRG workers and volunteers. It's been a long, hard road from the vague arm-waving of what can be done to what will you will see in May. I also want to thank our sponsors and advertisers who generously contributed because they believed the shoot should continue. Enjoy the tournament and shoot well.

GENERAL INFORMATION

The Livermore-Pleasanton Rod & Gun Club is proud to host the 2014 Golden West Grand. Our club uses Canterbury voice release and Pat-Traps on 12 trap fields. White flyer orange dome targets will be thrown for all events.

Shooters must declare their cross registration before shooting the first event. Registration may not be changed once you start shooting.
4. The trap range will be open on Tuesday 5:00 pm to 9:00 pm for practice. The squadding office opens 8:30 am each day and practice traps open 9:30 am. The first event for each day starts at 10:00 am.

11. Breakfast and lunch will be served each day.
12. Ammunition will be available for purchase at the gun club.
13. LPRG may change all or any part of this program without notice.

REGISTRATION CERTIFICATE

This certifies that the Livermore-Pleasanton Rod & Gun Club in Livermore, California has been authorized to hold a registered shoot on May 7th through the 11th, 2014. Amateur Trapshooting Association Official Rules will govern this shoot and the scores will be included in the official records of the Amateur Trapshooting Association.

RULES & REGULATIONS

1. Before entering the competition every person agrees to accept all official decisions and to abide by ATA and LPRG rules. Members are strongly encouraged to know ATA rules and abide by them, for their own benefit and for the benefit of other shooters.
2. No shooter will be allowed to make up more than 50 targets on the practice traps if he or she has missed his/her squad. If you are unable to join your squad before they have started their third sub-event, you must be re-squadded. All make-ups, for either missed squads or gun repairs, must report to the practice trap area within 30 minutes of when the last squad takes the line for that event.
3. It is the responsibility of Ladies, Veterans, Senior Veterans, Juniors, and Sub-Juniors to see that they are so indicated on their entry cards and on the scoreboard bulletin sheets; so they may be included in the competition.
4. All information needed to award trophies, award added money, and make reports for the ATA will be taken from the entry forms; so be sure all information is correct.
5. Each shooter who is entitled to receive money won during any event agrees that if such money is not received by him or her during the period of this tournament, then a check in payment will be mailed to him at the address indicated by ATA records. LPRG will not be liable in any manner whatsoever for any check lost, stolen, unclaimed, undelivered, or otherwise not received by the shooter. If payment for shooting is made by check, winnings will be paid by check.
6. All trophy monies in this program will be divided, not shot-off.
7. Trophies for the championship events, Bonillas Handicap, High Overall, and High All Around will not be mailed. All winners must pick up their trophies by the last day of competition.
8. There will be no trophy buy-backs.
9. Ladies, Veterans, Senior Veterans, Juniors, and Sub-Juniors may not win greater than one trophy in any one event.
10. Shoot management reserves the right at any time prior to or during this tournament to change or modify this program in any manner it desires.
11. Reloads that meet ATA specifications will be permitted at this tournament.
12. Please follow all safety rules. Failure to comply may result in disqualification.
13. **Targets are adjusted by shoot management only.**

ALL-AMERICAN POINTS

Shooters can earn All American points where total entries in the Doubles, Singles, and Handicap Championship events must meet at least 600 total entries.

CLASSIFICATION & HANDICAPPING

Display your average card at the handicap table immediately upon arrival. Shooters are required to have both their singles and doubles averages computed for use by the Handicap Committee. The longest yardage, highest average, and known ability will be used for classification. PITA targets will be recognized.

	<u>SINGLES (%)</u>	<u>DOUBLES (%)</u>
AAA	98 and over	96 and over
AA	96.25 and under 98	92 and under 96
A	94.75 and under 96.25	89 and under 92
B	93 and under 94.75	86 and under 89
C	90 and under 93	82 and under 86
D	under 90	under 82

1. Shooters who do not have an average on which to base a classification (500 singles and 500 doubles targets) will be required to shoot not less than class "A" in singles and Class "B" in the doubles events. Shooters that do not have at least 500 handicap targets will be handicapped no less than Male and Junior-Male, 22 yards; Lady, 20 yards.
2. If you win or tie for first place in your class, you must move up one class for the next event, except the singles and doubles events on Preliminary Day.
3. The Handicap Committee reserves the right to change the classification of any shooter at any time. The decision of the Committee will be final.

ENTRY & REGISTRATION

Shooters wanting to shoot the entire week should turn in all entry forms at the time of entry. Squadding at the shoot will be on a first-come, first-served basis. You will remain on your assigned squad unless a yardage increase necessitates moving to another squad.

1. Take your ATA average card to the handicapping table. Singles and Doubles averages must be computed with wins and ties entered.
2. Shooters who wish to cross-register must present both ATA and PITA membership cards with averages computed. It is the shooter's responsibility to make sure his or her membership is current with both organizations.
3. Make sure the correct classifications and handicap yardage are plainly marked your entry form by a member of the Handicap Committee before leaving the handicap table.
4. Take your entry form to the squadding window to be squadded.
5. Go to the cashier's window once you have been squadded to pay your entry fees.

PAYMENT & CASHIERING

Target fees are \$33.00 per 100 targets plus ATA and CGSTA daily fees. Juniors and Sub-Juniors may shoot for \$22.00 per 100 targets plus ATA and CGSTA daily fees if not playing purses and options. Shooters who wish to cross-register with the PITA must pay the additional \$3.00 PITA daily fee and the 2¢ per target CSTA fee.

1. No counter checks or second party checks will be accepted by the cashier. Checks will be accepted for the amount of shooting fees only. All entry fees must be in US funds.
2. All entries for targets are final when cashiered. If an emergency or illness arises, please request a refund from the cashier prior to leaving. These requests will be reviewed after the shoot ends, and appropriate refunds will be made by mail. Additions or refunds on purses and options will be accepted after initial registration. A \$5.00 fee will be charged for all changes in purses and options. The purpose of this \$5.00 fee is to offset the additional office personnel required to make the changes.
3. Check each event's pay out sheets before the start of the last event. All problems must be resolved prior to the end of the shoot, or the results will stand as posted.
4. No entry fees, and/or purses or options, will be refunded after an event has started.
5. Cashier's window closes 4:30 pm each day.

PRE-SQUADDING PROCEDURE

There will be a non-refundable \$5.00 pre-squad fee for each shooter utilizing the service.

1. Single entry, partial, or full squads are accepted; but all entries must be mailed with a \$5.00 pre-squad fee for each shooter. Shooters wishing to shoot together on the same squad **MUST** send in their forms together.
2. **Do NOT send cash as payment of your pre-squad fees.**
3. **Do NOT pre-pay your event fees (daily, event, options).**
4. Mail your pre-squad form and check, payable to Livermore-Pleasanton Rod & Gun Club:

**Golden West Grand
Norm Volponi
22665 Prospect Heights
Groveland, CA 95321**

5. If you send a self-addressed stamped envelope, a receipt showing the assigned squad and post for each event will be mailed to you.
6. The pre-squad handicap window will be open Tuesday, May 6, from noon to 5pm. After you are classified, take your entry form to the cashier's window. This completes your entry into the shoot.
**Only pre-squadded shooters will be processed at these times.
Regular entries will open Wednesday, May 7 at 8:30am.**
7. To avoid short squads, pre-squad forms **MUST** be picked up and processed before your first requested event or your assigned squad will be opened up to the public for the remaining events. The highest available squad for pre-squadding will be Squad 40.
If the requested squad or post is not available, then you will be squadded by your alternate choices. If there is no alternative squad or post marked, the squadder will use his/her judgment.

People who pre-squad must shoot the same squad number for all events except doubles. Because the number of people shooting doubles is fewer, shooters may be moved up to fill doubles squads. Pre-squadded shooters must pay for all targets at the time of their initial entry.

If there is a change in yardage from the time a pre-squad form is submitted, the squadder **MUST** be notified.

Pre-squadding will be done in the following order:

1. full squads/individuals shooting the whole program
2. partial squads shooting the whole program
3. full squads shooting a partial program
4. partial squads/individuals shooting a partial program
