Shooters,

Welcome to the 43rd Annual Southern Satellite Grand, March 12-19.

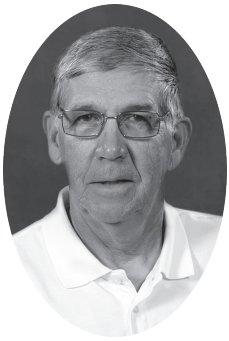

The Silver Dollar Shooters Club in Odessa Florida is one of the nation's gems for trapshooting.
With an experienced staff, pro-shop, and cafe, you never need to leave the grounds. However, you may want to hit a few golf balls on the very challenging golf course, or you may want to explore the rich Greek culture along the pier in nearby Tarpon Springs.

Southern Zone Vice President, Billy Cook, as well as the entire Executive Committee will be on hand to visit and answer any questions you may have about trapshooting.

I hope to see you there.

ENTRY AND SHOOTING PROCEDURE

1) Take your average card to the classification desk. Do not attempt to make your program entries before doing so.

2) YOU MUST PRESENT YOUR PAPER AVERAGE CARD TO CLASSIFY AND IT MUST BE UP TO DATE. Be sure your classification and handicap yardage are marked plainly by a member of the Handicap Committee before you leave the table. It is your responsibility to know the rules. You are subject to penalties for shooting in the wrong classification or at the wrong yardage even if your card is so marked.

3) It is the responsibility of category shooters to see that they are so marked at the time they are classified/handicapped. If your special category does not appear on the bulletin sheet, report the omission at the Cashier's office.

4) The use of paper entry cards has been eliminated. Please be sure to have your ATA plastic card when you are at the entry windows. You will not be able to enter any events without your plastic card.

5) If you draw squad positions that will not be used for an event, please see squadding personnel or use the self-service terminals to release your position. Releasing your position allows us to fill holes in open squads, making this tournament more enjoyable for all shooters. **A shooter may not draw more than one (1) position per event.**

6) Upon paying your entry fees, you will be supplied with a receipt showing your squad, and position along with your class/yardage, options and applicable categories for each event entered. Once you leave the Cashier window, your entry cannot be changed for options or squadding.

7) The cashier will accept no counter checks or secondary party checks and the only type of cash or check accepted will be U.S. funds. Checks will be accepted for the amount of shooting fees only - No Exceptions.

8) All entries are final. No additions or withdrawals permitted on purses and options. NO ENTRIES REFUNDED UNLESS EVENT IS CANCELLED. Classification and Squadding/ Cashiering will open Saturday, March 11, 12:30 PM to 4:00 PM. Open Sunday through Saturday, 8:00 AM to 4:00 PM.

RULES & REGULATIONS

1) Should you win or tie for high in a class in any 16-yard or Doubles event or earn yardage in any Handicap event, it shall be your responsibility to report to the Handicap desk and have your yardage increased or classification reviewed. In Events #7 and #11, all shooters (regardless of category) with scores that equal or exceed the score of the Class Champion will be advanced starting with the next like event. Any shooter whose class or yardage is changed for any reason shall be considered to be notified when the new class or yardage is posted on the bulletin board.

2) Any shooter failing to carry out rule 1 above or who shoots in an incorrect class or from a yardage higher or lower than that assigned by the Handicap Committee, will be subject to disqualification and will not be eligible to share in any money division or be eligible for trophies.

CATEGORY SHOOTERS : (See Rule X.D)

At all tournaments where All-American points will be awarded in any event, shooters may declare only one special category. Note: Chair shooters are exempt from this rule.

Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the Championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter must fall back to the declared category.

Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group.

Any special category shooter, whose score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies.

Once any declarations have been made, either by shooter or shoot management, the declaration is final and can not be changed. There shall be no exception to this rule.

3) All Lady I, Lady II, Sub-Juniors, Juniors, Junior Golds, Sub-Vets, Veterans, and Senior-Vets must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. **Without such declaration, the contestant will not be allowed to compete for the applicable category trophy.** No contestant will be allowed to declare or change a special declaration after firing his/her first shot. The only exception to this rule will be to correct an ATA classification error. Failure to declare your classification does not constitute an ATA classification error. Please check your classification receipt before leaving the Classification table.

4) Each shooter who is entitled to receive money won during any event agrees that if such money is not received by him during the period of this tournament, a check in payment for the money won may be mailed to him at the address indicated by ATA records, and when so mailed, the club will not be liable in any manner whatsoever for any check lost, stolen, unclaimed or otherwise not received by the shooter.

5) Management will not be responsible for errors in scores after the options have been posted. Shooters should use the electronic bulletin board and the score board to check their scores to notify shoot management immediately if a discrepancy is noticed. **SCORES BECOME FINAL 1 HOUR AFTER THE CONCLUSION OF THE EVENT.**

CLASSIFICATION AND HANDICAP

All target requirements described below MUST be met before firing a shot in the first event of the HOA (Wednesday 3/15). After meeting the target requirement, please return to classification. Any reclassification must occur prior to your paid entry into the first event of the HOA.

After the first HOA Event is completed, class and yardage may only be increased.

6) Shooters who do not have a total of 1,000 16-yard targets registered with the ATA in the current and previous target year will be advanced at least one class or more at the discretion of the Classification Committee. Shooters without an established average shall be placed in class B or higher at the discretion of the Classification Committee.

7) Shooters who do not have a total of 1,000 Doubles targets registered with the ATA in the current and previous target year will be advanced at least one class at the discretion of the Classification Committee. Shooters without an established average shall be placed in class B or higher at the discretion of the Classification Committee.

8) Shooters who do not have a total of 1,000 Handicap targets registered with the ATA in the current and previous target year will be assigned to the 23 yard line or the regular handicap yardage, whichever is greater. Handicap target requirements will be waived for shooters age 70 and over, making them eligible for trophies and monies. Any participant who fails to meet the minimum handicap target requirements as described will be allowed the choice of shooting "Targets Only" from their assigned yardage provided they waive and forfeit all rights to options, purses, added money and trophies including HOA and HAA trophies.

9) Participants who fail to meet the HANDICAP target requirements (described in #8 above) shall have the choice of shooting "TARGETS ONLY" from their assigned ATA yardage provided they waive and forfeit all rights to any trophies, options, purses, and added money. The decision by the participant to shoot "TARGETS ONLY" is not revocable for the duration of the tournament *unless* the minimums are met by the end of the day Tuesday 3/14. Participants who fail to meet Southern Grand Handicap qualification, as described above, shall have the choice of shooting targets only from their assigned yardage provided they waive and forfeit all rights to trophies, options, purses and added Money. The decision by a participant to shoot "Targets Only" must be made at initial classification and is not revocable for the duration of the tournament unless minimum requirements are met by the end of the day Tuesday.

10) In an effort to avoid unused positions, it is imperative that you either cashier or release all positions that you have squadded for prior to the event. ***Pre-squad positions will be held for all events each day until 30 minutes prior to the start of the first event of that day. After that time, management reserves the right to open positions for that day.*** You may call the office at 813-920-3231 if you cannot make it to the club in time to have your position released.
