President's Message

Dear Fellow Trapshooters,

I would like to welcome you to the VTA shoots for 2025

This year's Hall of Fame shoot will again be held in conjunction with the AIM state championship, we look forward to having these fine young competitors shooting with us this year.

I'm pleased to announce the induction of Keith Corey into the Virginia Trapshooting Hall of Fame. Keith will make a fine addition to the Hall of Fame. I'm also happy to announce that the West Virginia Trapshooting Association will again hold their state shoot at Winchester Gun Club from July 9th to July 13th. I look forward to the event and you will be able to shoot two state tournaments at the same location again this year.

Due to the amount of interest we have already had, please contact the gun club as soon as possible for camping reservations at mike@winchestergunclub.live.

I encourage all of you to support your local ATA clubs; they are the backbone of our sport and a great place to introduce your friends to ATA shooting.

I would like to recognize the 2025 VTA Board of Directors for all their hard work in promoting and supporting trapshooting in Virginia. Without their continued efforts and those of many others at your local clubs, we could not continue to grow and provide the sport and fellowship we all enjoy.

As always if there is anything, we can do to help you enjoy our tournaments, please feel free to contact myself or any of our board members.

Good shooting to all,
Mike Jeter

State Shoot

at the Winchester Gun Club
July 9-13, 2025

General Shoot Information

The Virginia Trapshooting Association (VTA) shoots will be held at the VTA Homegrounds, Winchester Gun Club, Stephenson, VA. The VTA will have full responsibility for conducting these shoots. The VTA and the Winchester Gun Club are not responsible for accidents or injuries on the Winchester Gun Club grounds.

All current ATA and VTA rules and regulations will be enforced. The VTA reserves the right to refuse or reject any entry. The VTA also reserves the right to change the program for any reason. No entry fee options will be refunded unless an event is cancelled.

On the first day of the shoot, you can only sign up in the morning for that day; sign up for the remaining shoot program can be done that afternoon.

Targets will be shot 50/50 on 6 banks, 2 traps per bank. All handicap and 16-yard targets will be shot 5 per station. However, management reserves the right to alter this scheme depending on the number of entries. The squad leader has the responsibility to keep the squad moving through the 50 targets in a timely fashion.

Squads may be reassigned different fields at the discretion of management. If you are on a late squad, do not sign up for an early squad for the next event.

The two practice traps will be the last two traps at the right end of the firing line. There is sufficient parking at that location with an access road. Cost is \$5 for 25 targets.

Shootoffs will be carried over to the next day when permitted.

All options are percentage.

If not won, 50s money will carry over to the next event. High score in the last 50s event will win.

Darkness and inclement weather

In the event of inclement weather or darkness before an event is concluded, shooting will resume at 8:00 am the following day to complete the event.

Trophies

If you win a trophy at one of the VTA shoots, pick it up or arrange to have someone pick it up for you by the end of the shoot. The VTA has no secure storage and will not be responsible for trophies left at the conclusion of the shoot. It is your responsibility to collect your winnings.

Presquadding

We are expecting a larger than normal crowd this year. Therefore, shooters are encouraged to presquad. Presquadding will be available on ScoresR.com.

Money Returned by the ATA

The amount returned to the VTA: \$3249.

Vendors

There is no rent for vendors but please contact Mike Wilder at (304) 919-1025.

Campers

The Winchester Gun Club (WGC) maintains a camping area for trailers, motor homes and tents. Water and electricity are available. Showers and restroom facilities are at the main clubhouse. Rental is \$25.00 per day for 30 amp service and \$30 per day for 50 amp service. You may request a reservation for the state shoot, however, unless paid 15 days prior to the shoot date, we will not be able to guarantee the reservation. Contact Michael Wilder by message at 304-919-1025.

Gun Club Representative Meeting

The VTA Gun Club Representative Meeting will be Friday, July 4, 2025 at 8am. This is a closed meeting, open only to the designated Gun Club Representatives.

State Association Meeting

The VTA meeting will be held on Saturday, July 5, 2025 after the conclusion of Event 9 (before shoot-offs). It is open to all current VTA members.

Classification and Handicapping

The Classification Committee will classify and handicap all shooters. Current averages will be used, plus known ability. Any shooter may shoot targets only to avoid being penalized in any event. All shooters must present their average card and ATA plastic membership card to the Classification Committee to be classified. **It is the shooter's responsibility to have his/her average card up to date.**

16 Yards – 5 Classes

97% and above	AA
94% and under 97%	A
91% and under 94%	B
88% and under 91%	C
Under 88%	D

Doubles – 5 Classes

93% and above	AA
89% and under 93%	A
85% and under 89%	B
78% and under 85%	C
Under 78%	D

If you have or tie the high score in your class, regardless of any category standing, you will be moved up one class.

Special Category Shooters

It is the responsibility of the shooter to declare him/her self as a category shooter for the tournament, if you choose to do so. Once a declaration has been made, the declaration is final and can not be changed. You must also inform the cashier when you pay for each event.

-Parent-Child (under 18)

-Sub-Junior – A shooter who has not reached his/her 15th birthday

-Junior – One who is 15 but has not reached his/her 18th birthday

When we say junior in non-championship events, we mean sub-junior and junior; those who would be junior gold will shoot with other undeclared shooters.

We will follow ATA rule IV, J – a shooter may declare only one category – and rule X, D, 4 – a shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her category will compete for the category trophy and not for place, class or yardage group. However, any special category shooter, whose scores do not qualify for a trophy in his/her special category, may compete for place, class, or yardage trophies.

Target Requirements for all VTA Shoots

Doubles Targets: A shooter must have registered at least 750 doubles targets in the current and previous year combined or be placed in "B" class or higher.

For the Old Dominion shoot only, the current year and previous year will be the 2025 and 2026 target years.

2025 Virginia Hall of Fame Inductee

Keith D. Corey

Keith D. Corey has been named the 2025 inductee into the Virginia Trapshooting Hall of Fame, recognizing his outstanding achievements and dedication to the sport. Since beginning his registered trapshooting career at age ten in 2000, Keith has consistently demonstrated exceptional skill, earning numerous titles at major competitions, including the Grand American, Southern Zone, and Virginia State Shoot. He calls Christiansburg IWGC his home club and his induction honors his contributions and lasting impact on Virginia trapshooting.

Keith's championship record includes notable wins such as the 2007 Grand American World Doubles Junior Champion and the 2019 & 2020 VA Doubles Champion. He has claimed multiple Virginia State Shoot titles, including the 2001 Handicap Sub-Junior Champion, the 2006 Doubles Junior Champion, and the 2015 Old Dominion Clay Target Open Champion. His consistency and high-scoring performances have made him a standout competitor for over two decades. Along with the notable victories, Keith has accomplished a 200 straight (100 pair) in doubles, the 1st 100 straight in doubles at Christiansburg IWGC, and a 290x300 across all three disciplines.

Beyond competition, Keith has balanced his passion for trapshooting with family, work, and business responsibilities. Despite taking a four-year break to complete his college degree, he returned to the sport with the same high level of performance. With a 16-yard average in the 90th percentile since 2002 and an impressive doubles average of 95.4 in 2008, Keith's skill and dedication make him a deserving Hall of Fame inductee and an inspiration to future generations of shooters.

Hello Shooters,

While it is early in 2025, it has already been a year of significant change for the Virginia Trapshooting Hall of Fame (VTHOF) (www.vatrashof.com). Several longtime officers and board members stepped aside to provide opportunities for our next generation of leadership. I'd like to thank the outgoing members for their many years of service. Lu Charette and Bruce Clevenger were past directors while Alan Corey, Audrey Sharp and Andrea Smith were officers for many years. Alan is now Vice President and Audrey will remain as a director, while we welcome Ryan Bucher and Pamela Meara (Secretary) to the organization.

Incorporated in January 2000, the Virginia Trapshooting Hall of Fame, Inc. is a 501(c)(3) tax exempt organization that encourages youth to participate in trapshooting. Each year, the VTHOF performs four primary activities:

1. Provide all youth shooters with significantly reduced target fees at the Hall of Fame Shoot. This shoot is the AIM and Virginia Youth Trapshooting League state championships.
2. Award one \$500 scholarship to a Virginia youth shooter. Information about the scholarship is available on the VTHOF website or from any of the officers and directors. This year's deadline is June 15, 2025.
3. Supply awards and trophies to the Virginia Youth Trapshooting League.
4. Oversee the induction of a Virginia trap shooter into the Virginia Trapshooting Hall of Fame. Nominees have superior marksmanship and/or an exceptional record volunteering to benefit trapshooting in Virginia. The deadline for nominations is December 31, 2025.

As the new President, I'm excited to take VTHOF to the next level. My primary goals over the next few years are to (1) establish a scholarship fund, (2) grow our existing Midway Foundation Endowment so we can sustain our operating costs, and (3) create awareness and education about our past inductees. I look forward to partnering with the trapshooting community to accomplish these goals.

If you would like additional information, have suggestions for projects supporting the VTHOF, or are able to contribute financially, please contact me (dean@trapshootingonline.com) or any of the other officers or directors.

Good luck this season,
Dean Spiridon, Jr.

You must register on this site to use it, but there is no charge for this event at this tournament. You will navigate to the Virginia AIM Championship shoot and sign up for Event 4 which will be the AIM Championship for all age groups. The squad and post you pick will be where you shoot, so be sure that you are squadded with your teammates.

Sign-up and classification at the range will begin at 8:30 A.M. Shooting begins with the beginning of the Hall of Fame Event 4 at 10:00 A.M and entries close at 11:30 AM.

Eligibility – Each participant must be a member of the Amateur Trapshooting Association and it's youth program, AIM. Forms will be available and you may join and participate the day of the tournament.

There are **no minimum target requirements for the AIM championship.**

Participation in the Virginia AIM State Tournament is a requirement for the AIM All Star Teams which will be named at the end of the 2025 target year.

Age Classifications:

Pre-Sub Jr.	Ages 11 & Under
Sub Jr.	Ages 12-14
Junior	Ages 15-17
Junior Gold	Ages 18-22

The age of the renewing athletes on September 1, 2024 will determine age classification. An athlete may shoot up for team purposes without changing his/her individual classification. The oldest team member determines a team's classification.

Negrini Cases has generously donated a case to the AIM program which will be awarded in a shootoff. A score from the first 100 will be drawn. Shooters with that score, the score preceeding it and the score following it will shoot off for the case after the program events are finished.
