## General Information

1. All targets are ATA registered. Unless otherwise indicated in this program, the default ATA rules apply to this tournament.
2. Any changes or corrections to this program will be posted in the Clubhouse.
3. Only one trophy shall be awarded to any individual in any separate event.
4. Squad leaders are ultimately responsible for carrying scoresheets from trap to trap and returning scoresheets to the office. Score sheet runners may be provided upon availability of help.
5. Dickinson Clay Target Club and the Roughrider Association, Inc. are not responsible for accidents.
6. Camper & trailer parking spaces w/electrical hook-ups available by reservation. The fee is \$25 a day or \$ [redacted] for the tournament. Call Dickinson Clay Target Club at 701-290-2759 or email blained2666@gmail.com to make your reservation. Spaces are limited, so make your reservations early!
7. Breakfast and lunch will be served Friday through Sunday. 6:30 AM to 2:00 PM
8. No hull pickup during the shoot. If you want them, save them.
9. Tournament will be shot 100 targets per trap. Squad/trap house assignment will change daily. Bank assignments will be posted inside and outside of Clubhouse.
10. Only Roughrider members in good standing are eligible for trophies, awards, and added money. \$10.00 memberships may be purchased at club and must be bought before you shoot.
11. Any person or persons changing traps other than the **TRAP COMMITTEE** will **be subject to disqualification**. However, host club directors and other NDTA directors may adjust target height, but not target speed, in the absence of trap committee members.

12. Anyone wishing to shoot for more than just targets must sign up and cashier for those options, purses, etc. prior to the first shot being fired in that event.  
**No exceptions!**
13. For shooters withdrawing from an event, refunds will be made only for targets, if the first shot of the first squad has been fired for that event.
14. ND State Sales tax is included in the target price.
15. All credit card transactions will be charged a 3.25% convenience fee.
16. Vendors must register with the Dickinson Clay Target Club.

## **RESOLUTION OF TIES**

**Carry-Overs:** All tie carries over to the next like event until there are no more like-events. Once there are no more like-events, the tie will be resolved by a shoot off.

**EXCEPTION FOR HANDICAP EVENTS:** If a tying shooter earns yardage that will require them to shoot from farther back in the subsequent handicap event, those shoot-offs will be held unless **ALL** shooters in that shoot-off agree to the carryover. All shoot-offs falling under this exception will be shot off after the final event of the day. However, shoot management reserves the right to reschedule when the shoot-offs occur or to limit the number of targets that are shot on a given night.

**Shoot-Offs:** All remaining ties after each championship event will be called for shoot-offs, unless all tying shooters agree otherwise. Shoot-Offs will be held at the conclusion of the LAST EVENT each day. However, shoot management reserves the right to reschedule when the shoot-offs occur or to limit the number of targets that are shot on Saturday night. Shooters will receive three, three-minute calls to check in for shoot-offs. Shooters must check in at the cashier's window within the allotted time frame or they will forfeit. Shooters will be given adequate time to get their equipment for the shoot-off.

# CATEGORY SHOOTERS

All category shooters must declare their category at the time of their entry. A shooter is not permitted to declare more than one category. It is solely the shooter's responsibility to inform the classifier of their desired category, if any. Unlike shoots that offer ATA trophies **category shooters shall compete only for champion and category trophies—declared category shooters are not eligible for class trophies if category trophies are offered in the event.**

Shooters must register in the category they will be shooting for the entire state shoot. This cannot be changed once their first event has started.

Juniors, Sub-Juniors and Ladies who declare their category, and who are not participating in money options may shoot for \$25.00 per 100 targets.

## Options Information

**Class or Yardage Purse:** Shooters compete among shooters in their own class (AA, A, B, C, D) or own yardage (Short, Mid, Long). Highest shooter receives 60% of pot, second-highest shooter receives 40%. If two or more shooters tie, all tied shooters divide 100% of the pot for their class or yardage.

**High Gun Purse:** Similar to Class or Yardage Purse, but all shooters are part of same "class." For every seven shooters, one additional place is paid. Percentage of pot paid to each place dependent on number of places paid.

**25's Options:** Total pot is equally divided among each of the 4 traps. Shooter with highest score on that trap wins 60% of the pot, runner-up receives 40%. If two or more shooters tie, all tied shooters divide 100% of the pot for that trap.

**50's Options:** Total pot is equally divided among three-50s: first and second traps, second and third traps, and third and fourth traps. Shooter with highest score on that 50 wins 50% of the pot, runner-up receives 30%, and the third place receives 20%. If two or more shooters tie, all tied shooters divide the relevant winnings.

**Lewis Purse:** Shooters are ordered from highest score to lowest score, then divided into thirds to form 3 classes (e.g., top third, middle third, bottom third). Total pot divided equally among the classes. Highest shooter in class wins pot, and tied shooters divide the pot.
